

SPIRIT OF SUTTERBY

History of Stained Glass – Illustrated talk by Richard Still

Tuesday 18 Oct 2016 1930hrs – Franklin Hall, Spilsby

Inspiration again came to the Firsby Artisan Bakery in the shape of a cake decorated in the form of Stained Glass. It was so lifelike that Richard Still gave it his approval and was willing to cut it on camera.

Luckily the cake dyes used in the icing were not able to make the audience hyper-active so we had a very calm and interesting talk given by Richard.
